

Traffic Systems » Independent Test Labs Acceptable

Although not endorsed by the FDOT-TERL, the following independent test labs have submitted test reports that have been accepted in the past (as meeting all applicable requirements listed in the FDOT Minimum Specifications for Traffic Control Signals and Devices (MSTCSD) Section A601. While the list is provided for the applicant's benefit, the applicant may select a lab not included in this list. Regardless of the selection, the applicant remains responsible for ensuring that the independent test lab and associated test report meet all independent testing lab and test reporting requirements.
